

Hello!

We are excited to be planning the 12th Annual Freeman Regional Health Services Foundation Gala. After two years away, it is time to celebrate and we have the perfect reason to do just that! We are so happy to announce the collaborative partnership of the Salem Mennonite Home and Freeman Regional Health Services. With this new partnership, we are 'Coming Together, Caring for All' - the theme of this year's Gala.

As we move forward together, one of our priorities is having the latest technology for our patients and residents. With that in mind, we are focusing our fundraising efforts this year on new imaging equipment.

We invite you to participate in this exciting event by becoming a sponsor. Our sponsorship program offers a level for every giver and will provide you, or your business, with different benefits at each tier. Please show your support by becoming a sponsor today!
